Subject: Fw: The Portland Harbor Cleanup Support Letters....let's take them out of CMS
Draft Response Letter to Concerned Citizens.docx

Jen - Please put the attached letter into ECL letterhead for Dan's signature - There will be just one letter to sign that will be sent to many. There are several hundred of the letters that will need to be sent out, so let me know who will be working with me to get this done. Also, check with the RA's office to see if any more letters were sent to the Administrator at Headquarters.

Thanks,

Subject: The Portland Harbor Cleanup Support Letters....let's take them out of CMS

Kristine,

Cami stopped by and we decided to take all those PH cleanup support letters out of the CMS system and we'll handle them internally just in ECL. It was just creating too much for us to track. We also decided the response should be for Dan Opalski's signature. I left a folder with the letters we have on your chair. Pam has gone through and found the addresses for these....I didn't check to see if all addresses were there. So please let me know when you'll have the draft letter for my review.

Thanks!

Deb
